Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: the prior art of record does not teach or render obvious a motivation to provide an apparatus for dispersing a volatile composition into the atmosphere having the combination of structural limitations as claimed in the currently amended claim 11 (further note that the currently amended claim 11 recites similar limitations as that of the allowed method claims in parent case 09/868,125 but it is in an apparatus format), especially, a means for generating an ion wind comprising a first electrode and a second electrode spaced therefrom to define a region therebetween such that when a dc electrical field is created in the region the ion wind facilitates the dispersal of the source of the volatile composition into the atmosphere and causes molecules of the volatile composition to become charged, these along with the rest of other limitations/features as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Trinh T Nguyen whose telephone number is (703) 306-9082. The examiner can normally be reached on M-F (9:30 A.M to 6:00 P.M).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Teri Luu can be reached on (703) 305-7421. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
